

Meridian[®]
Agro

We grow and export premium
quality products for the world's
most reliable buyers.

About Meridian Agro

Chittagong Meridian Agro Industries Ltd., a sister concern of Meridian Group, is one of the most trusted agro companies in Bangladesh. Our farm is spread across 750 acres of land in Bandarban, Chattogram. Having more than 25 years of experience in the agro sector, we are proudly the first organisation in Bangladesh to bring chemical free cultivated fruits from a farm-table model. Among many national awards, we've been awarded the "Bangabandhu Krishi Award" by the Government of Bangladesh for innovation & expertise in the agricultural field to support the country's agricultural growth.

Our Fruits

Mangoes

Nam Dok Mai
Season: Mid of May

Kancha Mitha
Season: Mid of May

Amropalee
Season: June - July

Dragon Fruit

What Makes Our Mangoes Special?

- No chemicals sprays.
- No toxic chemicals like formalin or carbide are used to accelerate or lengthen the shelf life.
- Good Agricultural Practice (GAP) & Bagging process is being followed.
- Hot water treatment is used to purify the mangoes.
- Naturally ripening is done using rice straw and paper.
- Strict hygiene is maintained to pick, sort, pack and deliver the best mangoes of the season to you.
- Natural and safe pest management techniques like pheromone traps are used.
